

Financial Services Opportunity

We are now offering a global expansion opportunity for our recently issued fantastic MasterCard product.

www.oneworldbancard.com <<http://www.oneworldbancard.com>>

We are offering exclusive country and regional contracts.

Each card earns about \$8 to \$15 per month.

Licensees earn 60% of the revenues and must also provide customer services in country in addition to fulfillment.

Contracts are available and are priced based upon the population of the region or country.
